FACULTY

Jim Baun BS, RDMS, RVT, FSDMS

Jim Baun has contributed to the field of Diagnostic Medical Sonography through numerous published texts, peer reviewed articles, and is recognized as an educator, leader, author, & clinician. His lectures have been well received by sonographers and physicians all across the USA and abroad.

Phillip J. Bendick, PHD, RVT, FSDMS

Dr. Bendick is a founding member of the Board of Directors of the Intersocietal Commission for the Accreditation of Vascular Laboratories (ICAVL). He has served on several boards, including AIUM, JRC-DMS, and CoA-ACS. Dr. Bendick has authored or co-authored over 150 papers in peer reviewed journals, book chapters, and has given over 300 presentations.

Steven B. Soliman, DO, RMSK

Steve is a Senior Staff Radiologist, Musculoskeletal Radiology at Henry Ford Hospital & Health System. He is also a Clinical Assistant Professor to Wayne State University School of Medicine & Michigan State University College of Osteopathic Medicine.

Janette Wybo, BAS, RDMS, RDCS, RVT

Jeanette is the clinical coordinator for the Providence Hospital School of Diagnostic Medical Sonography. She has been a sonography educator for more than 30 years, and considers it a privilege to prepare the next generation of sonographers. She has served on the board of the Michigan Sonographers Society and other Committee positions of the SDMS and ARDMS organizations.
